

# Deborah The Prophetess

Judges 4 [Pew Bible p172]

**Israel's serial sinning invited God's severe punishment (vv1-3)**

**Barak's conditional obedience fell short of God's expectation for unqualified obedience (vv4-10)**

**God alone powerfully subdued his enemy and delivered Israel (vv11-16)**

**God triumphed over Israel's enemy through a most unexpected way (vv17-24)**

**Summary:** God punishes severely and saves powerfully. Therefore, let us...

- Repent urgently by not repeating our sins;
- Obey readily by following God and his commands fully;
- Trust completely in Jesus alone for salvation; not putting confidence in anything or anyone else.
