

# Choose Wisdom's Instructions

Proverbs 8 [Pew Bible p454]

**Choose Wisdom! Choose Life! (1 Corinthians 1:20-25; John 10:7-10)**

- **Wisdom is searchable by all, profitable for all, and valuable to all (vv1-11)**
  
- **Wisdom demonstrates the character of God (vv12-21; James 3:13-18)**
  
- **Wisdom is from God, with God, and for God (vv22-31; James 1:5)**

**Two ways to live – which way will you choose? (vv32-36; Matthew 7:24-29)**

**Conclusion:** Wisdom is from God for all who desire to grow in prudence, knowledge, understanding and discernment. He who seeks and heeds wisdom's instructions will live an abundant life under God's favour. But he who listens to other voices disguised as wisdom will be "robbed and killed" by them. Choose wisdom! Choose life – Life in Christ!
