Here are the evidences... **Identity of God**  
What is your **Verdict?**  
Acts 4:1-17:23-31 • Edward Goh

courage to **bear witness!**  
people with family to care for, much at stake, to lose  
dare to challenge Caesar! & religious leaders

evidence of **undeniable healing**

Instead of calling for a meeting to find a solution/way out to the gag order  
They prayed for boldness to **speak** even more.  
They knew that the captain of the Universe is with them...

more than just an act of kindness  
40 years of lame conditions  
no illness, sins can be too great for God's healing

evidence of **unshakable boldness!**

Josh McDowell's story abt. his drunkard, abusive father.

evidence of **uncontestable name**

The **name of the Messiah**, the very God that gives life & death  
uneducated & lowly yet commanding so much attention & 'follower-ship'  
Religious builders **vs** the rejected **cornerstone**  
opposers will face deal

The piece that will bind earth & heaven, men & God, life & death.

everyone can see for themselves **@ healing.**  
It is by the name of **Jesus Christ** of Nazareth whom God raised from the dead, that you can be healed.
