

"The matchless Grace of Jesus is deeper than the mighty roling sea!"

IS God's GRACE fair?

How to Satisfy a RIGHTEOUS God?

The RIGHTEOUS Will live by **FAITH** ♥

- ① Why only some & not all saved?
- ② Why are we suffering even when we obey?

The Vineyard PARABLE...

- Those hired earlier, there was a contract, but no such arr. for those later - "I will give you work..." → (inconsistent)
- Those hired last got paid first - to create the displeasure.

FOR SUCH A TIME... rise up & be counted.

By **Grace** ALONE
Matthew 20:1-16

ALL PAID @ SAME

• Fair as the owner fulfilled his promise to @ 1st workers **AND UNFAIR** as He did not pay according to amount of work! **THIS IS GRACE!**

- God does not own us anything. Giving more doesn't mean we should receive more.
- We must not compare with others & become discontent & envious.

With **Gratitude & fortitude**
