

① (Intellectual knowl.)

# DOCTRINE of the CROSS

The Identity of JESUS & the God's Plan of the CROSS

- How do you explain
1. Miracles?
  2. Sufferings?
  3. only through christ?

# Identity in the CROSS

We aren't changed until we **BOAST** in the **CROSS!!**

**BOAST** [military concept]  
↳ source of confidence  
↳ defines WHO YOU ARE

Redefine your identity

(emotional exp.)  
② OFFENCE of the CROSS

(All are as sinful & hell is the consequence)

Christianity is offensive... it offends other religions & @ 'goodness' of man

# Christian LIVING & LIFELONG LEARNING

HOW the GOSPEL transform us? **but**

WHAT is hindering us? — screw tape letter by CS Lewis  
"The Cross is NOT ENOUGH" (Top-up mentality)

The CROSS IS SUFFICIENT! (that's @ doctrine)

Any other sources will fail! Someone else will be better! Imperfect

Don't let KPI, achievements, others' expectat<sup>o</sup> define us - otherwise we will feel chained, tired, fearful & defeated.

SEEK our Identity in CHRIST & Have **REST** & **JOY** & ♥

(Book of the GOSPEL)

Vacuum in the ♥ (conceded) NEED TO BE Affirmed & recognised

(such ♥ & I reject @ "CHRIST ALONE" GOSPEL!)

**WHY**

- are pple preaching the PLUS model?
- Didn't want to be persecuted
- Wanted to please people

(made perfect @ CHRIST)

→ compete, challenge one another & caused division.
