

③ Reorder our Ways

• He is God who demands **obedience**

not just 'reacting' @ laws, saying but not doing.

God's silence ≠ condone

God came before His judgement so that we can have a solution **salvation** from His **Judgem**
(And He will come again)

① Reorder our Worldviews

• He is @ **Mighty One**

↳ God rules @ heaven & earth, He is neither weak nor silent

• He is @ **Judge**

↳ God will gather His people (who made covenant @ God) for judgement

through @ sacrifice of Christ on the Cross

② Reorder our Worship

• He is God who lacks nothing

↳ It's not abt @ sacrifice! (Attitude) Arrogance of works. Nonsense to think that we had done/given so much.

• He will deliver us

everything comes from God! We are to be thankful!

↳ so attitude downgrades the debt Jesus did for us on the cross.

↳ call upon Him when in trouble

& What is He going to do...

Why God will come?

(Edward Goh) PSALM 50:1-15

where is God?

Because God loves me
